

Subject: COVID-19 and SALTLIGHT STATION Operations

March 14, 2020

Dear SALTLIGHT STATION Patrons,

We thank you for being a supporter of our local family business since we first opened two years ago. Our hearts and prayers go out to those that have been affected by the novel coronavirus pandemic. We have been closely monitoring the CDC and local government guidelines to help contain the outbreak and we are committed to doing our part and taking additional hygiene and sanitation measures to protect our staff, customers, and local community.

We have made the difficult decision to prioritize the health and safety of our community and temporarily close our Indoor Dining area and offer Takeout only orders for the next two weeks to help minimize the risk of spreading COVID-19 infection from person-to-person contact.

We do not take this decision lightly, as our mission at SALTLIGHT STATION is to be a gathering place for the local community. Our livelihood is supported by local customers who frequently enjoy the dine-in experience and friendly service. We deeply appreciate the mutual daily interactions with all of our customers and sincerely apologize for this inconvenience.

Please note, our Kitchen will still be open and we will happily continue to serve you through our Drive-Thru window. Please allow us to continue to feed you and your family with healthy and delicious Takeout, Drive-Thru, and 3rd Party Delivery meals! For a contactless transaction, customers with access to the Internet may place Takeout orders online and conveniently pick-up at our Drive-Thru window. By the way, we heard a bowl of our no MSG Bone Broth or cup of Local Honey Lime tea does wonders for the soul when you are feeling under the weather (:

This is a trying time for everyone in our community and we hope that you will continue to support us and the livelihoods of other local small businesses that make our community great!

Sincerely,  
Nhatha and Evelyn  
SALTLIGHT STATION
